St Alban's Primary School

St David's School

I am delighted to share the news that St. David's Primary School has been categorised as a Green School; this is the highest colour rating that can be given to a school.

It means that the school is operating as highly effective, knows how to improve and is capable of helping other schools to improve. This is the result of hard work and commitment by staff, pupils, parents and governors.

I would like to extend warmest thanks to the school and parish community for your continued support on our journey of school improvement.
