Parish Prayer

Come Holy Spirit, fill our hearts with wisdom, love and courage, make us more like Christ in our works and actions. Bless the work of your Church. Renew us all in the desire to make Christ known and loved in the world today. Bless the work of our Parish. Guide all that we do so that our church is a place of mercy and service for all who are seeking you.

Deepen our love for the Presence of Christ in the Eucharist and guide us in prayer and action as we journey towards Discipleship to become the Church you are calling us to be. We ask this through Jesus Christ, our Lord. Amen

Being admitted to Hospital?

Due to patient confidentiality laws, hospitals no longer notify parishes when a Catholic is admitted. IT IS ESSENTIAL that you or a family member directly inform the parish priest or office about a scheduled or emergency hospital admission. Before you or a loved one is being admitted to hospital here are a few considerations to help with pastoral care:

Before admission for a planned stay, Notify the Parish by speaking to the Priest or the office with the hospital, ward and date of admission.

Request the Sacrament: You can request the Sacrament of the Anointing of the Sick before you go into hospital, which can be done after Mass, at home or in Church.

During Admission: Declare your faith to the hospital by informing the staff you are a Catholic and ask for it to be placed I your personal file.

Request a Chaplin: Ask a nurse/staff member to notify the Chaplaincy service that you are there.

Emergency Admissions: In an emergency, ask the ward to contact the on-call Catholic Priest via the hospital switchboard.

Visits are not automatic even if you state you're a Catholic so you must request a visit. Only you or your family can notify the Patrish of your hospitalisation.

Homebound Care: If you are returning home and need Holy Communion brought to you, contact the office upon discharge.
