Renew us all in the desire to make Christ known and loved in the world today. Bless the work of our Parish. Guide all that we do so that our church is a place of mercy and service for all who are seeking you.

Being admitted to Hospital?

Due to patient confidentiality laws, hospitals no longer notify parishes when a Catholic is admitted. IT IS ESSENTIAL that you or a family member directly inform the parish priest or office about a scheduled or emergency hospital admission. Before you or a loved one is being admitted to hospital here are a few considerations to help with pastoral care:

Before admission for a planned stay, Notify the Parish by speaking to the Priest or the office with the hospital, ward and date of admission.

Request the Sacrament: You can request the Sacrament of the Anointing of the Sick before you go into hospital, which can be done after Mass, at home or in Church.

During Admission: Declare your faith to the hospital by informing the staff you are a Catholic and ask for it to be placed I your personal file.

Request a Chaplin: Ask a nurse/staff member to notify the Chaplaincy service that you are there.

Emergency Admissions: In an emergency, ask the ward to contact the on-call Catholic Priest via the hospital switchboard.

Visits are not automatic even if you state you're a Catholic so you must request a visit. Only you or your family can notify the Parish of your hospitalisation.

Homebound Care: If you are returning home and need Holy Communion brought to you, contact the office upon discharge.
