It would be lovely if as many of us as possible could attend and help them celebrate such a wonderful milestone.

Creation Prayer

God our Father, we praise and thank you for the gift of life, for the Faith which unites us and for this beautiful planet, our common home. We confess how estranged we have become from one another and from your Creation. Beloved Christ, stir us to compassionate action, working with you to bring about the end of conflict, and for the healing of broken relationships. Prince of Peace, through your resurrection, make us people of hope - with a vision of swords turned into ploughshares and tears transformed into joy. Through your Spirit, unite us as one family, dwelling in peace and harmony with one another and with all creation. Amen.
